Schemes for guidance for Competitive Examination and Career Counselling for Academic Year 2022-23

1. Career opportunities in Chemical Industry

Date	06-08-2022
Type of Scheme	Career Counselling
Title of Scheme	Career opportunities in Chemical Industry (Kuth Chemical Industries Ltd.)
Resource person	Mr. Vivek Tiwari, Cproc
Participants	CHEMICAL
Year of participants	TE/BE
Event Report	A seminar on the career opportunities in chemical industry was arranged for all the final and prefinal year students of chemical engineering students. Mr. Vivek Tiwari, the Director of C Proc consultancy briefed about what is process engineering and significance of pumps in todays industry. He has also focused on various aspects used in compressors, ejectors in chemical industries along with the energy balance. He discussed about document preparation of process, process flow diagram and P & ID. The session was very interactive, and students actively participated in the session.
Number of Students/Benefitted attended	16

2. Internship Opportunities in Python

Date	13-08-2022
Type of Scheme	Career Counselling
Title of Scheme	Internship Opportunities in Python
Resource person	Mr. Sharad Karnekar, Mr. Asharaff, Bloomzen Infosolutions Pvt. Ltd.
Participants	ALL
Year of participants	SE/TE/BE
Event Report	The seminar on internship opportunities in Python was arranged for all the students of second, third and final year. The speaker, Mr. Sharad Karnekar briefed about, the importance of Python and its use in various fields such as Web Development and Machine Learning. The speaker briefed how Python ensures better and concise coding as compared with other programming languages and is used ls for creating dynamic scripts on large as well as small scales. He explained about the benefits of using this language in comparison with other languages. He emphasized more on its productivity and its massive libraries that are commonly used in the development field. He briefed them about the internship topics that can be undertaken by the students under Python. The session was very interactive, and students actively participated in the session.
Number of Students/Benefitted attended	60

3. Placement Enhancement Workshop

Date	15-09-2022, 16-09-2022 &17-09-2022
Type of Scheme	Career Counselling
Title of Scheme	Placement Enhancement Workshop
Resource person	Mr. Shehajad Michael, TrainingInbox
Participants	ALL
Year of participants	TE/BE
Event Report	A placement enhancement workshop was conducted for three days for the third year and the final year students. In this workshop the speaker guided them about the importance of the aptitude and soft skill development. On the first day the speaker explained them how to build a smart resume. He showed some of the sample resumes and assigned them the task of preparing their own resume. Along with this the speaker covered some of the important topics in the quantitative analysis of the aptitude section. He showed some tricky ways to solve the examples in the arithmetic section. On the second day he focussed on the qualitative analysis i.e., verbal section in the aptitude. He also explained them about the psychometric test and the ways to attempt this test. The third day was on personality development and how to face the HR interviews. He also guided the students on building the Linked in profile. The session was very interactive, and students actively participated in the session.
Number of Students/Benefitted attended	176

Shivajirao S. Jondhale College of Engineering - Job Prep Fair - TrainingInbox

3 messages

Shehzad Michal <shehzad.michal@traininginbox.com>   Thu, Sep 1, 2022 at 6:26 PM
To: tpo.minalhardas@gmail.com
Cc: Dhara Goenka <mentor@traininginbox.com>, Shashank Thapliyal <shashank.thapliyal@traininginbox.com>

Dear Minal Ma'am,

Greetings from TrainingInbox!

At the outset, thank you for giving us your time and the opportunity to present our Value Proposition, it was a pleasure meeting you and your team!

As per our discussion, we are looking forward to collaborating with **Shivajirao S. Jondhale College of Engineering** to extend our **Free Job Prep Fair** - Placements Enhancement Workshop to Students, which shall help them develop Interview Readiness Skills and improve their placement chances.

The Job Prep Fair is a well-planned, practical-based, and activity-driven workshop on the appended topics:

- THE ART OF RESUME BUILDING
- MAXIMIZE YOUR LINKEDIN PRESENCE
- THE SECRETS OF JOB SEARCH
- INTERVIEW PREP GUIDANCE
- SALARY NEGOTIATION EXPERTISE
- MOCK - GROUP DISCUSSIONS
- MOCK – PERSONAL INTERVIEW

Appended are the minutes of the meetings (held on 30th Aug'22) for your kind reference.

Minutes of the Meetings:

- Mr. Shashank presented the detailed roadmap of the Job Prep Fair and its benefits to the students
- Ms. Minal and her team mentioned that they would be interested in conducting the Job Prep Fair for the Final Year (4th year) students
- Ms. Minal shared the current student count in the respective engineering branches
- Ms. Minal and her team are willing to conduct the Job Prep Fair on 15th Sept, 16th Sept, and 17th Sept
- During the Job Prep Fair, the TrainingInbox team shall orient students about the Aptitude Test Program
- A registration link to be shared with students to register for the Aptitude Test Program (the interested students)
- Based on the responses to the Aptitude Test Program, Principal Sir and Ms. Minal to have a discussion with higher management
- TrainingInbox team to share the Job Prep Fair WhatsApp creative and the message with Ms. Minal

Please apprise on any of the missing points of our discussion.

We hereby confirm the dates for the Job Prep Fair at Shivajirao S. Jondhale College of Engineering on 15th Sept, 16th Sept, and 17th Sept from 11 am to 5 pm, mentioned below is the schedule for the same.

Date	Day	Activity	Time
15th Sept	Thu	Topics (2 & 3)	11 am to 1 pm
		Topics (5 & 6)	2 pm to 5 pm
16th Sept	Fri	Group Discussion	11 am onwards

17th Sept	Sat	Personal Interview	11 am onwards
		Topic 4 (Non-PI Students)	11 am to 1 pm

Herewith attached are the Job Prep Fair Presentation, draft MoU (Job Prep Fair - MoU), and Aptitude Test Program Presentation for your kind perusal.

Looking forward to taking our association to soaring heights.

Please feel free to connect if you have any queries.

4: Career in Exponential Technologies

Date	22-09-2022
Type of Scheme	Career Counselling
Title of Scheme	Career in Exponential Technologies
Resource person	Mr. Nimit Malhotra, NIIT Ltd.
Participants	ALL
Year of participants	BE
Event Report	The seminar was arranged by T&P cell in association with NIIT Ltd. for all the final year students. The seminar focused on the importance of exponential technologies that are revolutionizing R&D in Data science. He also guided them with the present opportunities in Robotics, Data analytics, data management, artificial intelligence, and Machine learning, IoT, AI, nanotechnology, gene sequencing and its usage in various sectors of science and engineering He explored these technologies by giving examples that how each of these technologies speed up each year and thus reduces the cost. He emphasized that these technologies underpin the modern society. All the students actively participated in the session.

Dear Prof Minal

As discussed at your college, we would appreciate if we could have an interactive session with your final year students to have an in-depth discussion on the **Exponential Technologies** on **15th September.**

Kindly acknowledge the mail with confirmed dates so that we can accordingly check the availability of the Speaker.

I will be sharing with you the google form as well to know the count of the students.

With Regards,

Mehul Sonavane.

5: Careers in Cyber Security & Cloud Computing

Date	13-10-2023
Type of Scheme	Career Counselling
Title of Scheme	Careers in Cyber Security
Resource person	Mr. Deepak Pawar, Q-Academy.
Participants	ALL
Year of participants	SE
Event Report	The seminar was arranged for all the second-year students of EXTC, Computer and IT branch. The speaker gave an overview on Cyber Security & Cloud Computing technologies. He explained that cloud computing has become a necessary part of almost every industry. He showcased on the career aspects of cloud computing and showed how that the career in cloud computing is highly rewarding. He emphasized on job openings and opportunities in this field from DevOps engineers to data analysts. He explored on the skill sets required in this domain such as knowledge of cloud computing platforms (e.g., AWS, Azure, Google Cloud), familiarity with programming languages such as Python, Java, or Ruby and experience with infrastructure automation tools such as Terraform or Ansible. Next he briefed on the Cyber security domain and explained that it is the practice of defending computers, servers, mobile devices, electronic systems, networks, and data from malicious attacks. It's also known as information technology security or electronic information security. The speaker showcased the current scenario in the cyber security by highlighting that according to the US Bureau of Labor Statistics (BLS), the number of cybersecurity jobs is expected to increase by 35 percent between 2021 and 2031. He stated that being a beginner as a cybersecurity analyst can create multiple opportunities within the world of information

	security and can create a right career path. All the students actively participated in the session.

Dear Madam,

I am writing with you today to introduce our company QACADEMY. I am Amit Shukla, (RSM) and would love to establish a relationship with you and your organization. We are an innovative and value driven company in providing online learnings, We are based in Canada and working towards taking over the Education Technology market in India and beyond.

Over the past twelve months, Our company has reached more than 50,000 enrollees for both our online classes and summer camps. With these accomplishments it has opened a lot of opportunities for us to grow without limits.

I am currently in Dombivli.It is for this reason we would like to request for a meeting in person to discuss our products and services at your own convenience.

I have attached our Company's Introduction and Booklet for your reference.
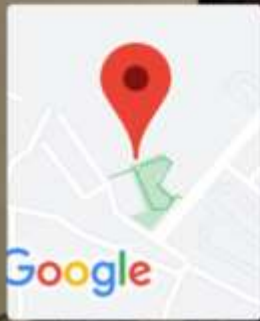

I look forward to hearing from you soon.

Respectfully yours,

Amit Shukla
Regional Sales Manager

6. Importance of GATE examinations

Date	09-02-2023
Type of Scheme	Career Counselling
Title of Scheme	Importance of GATE examinations
Resource person	Mr. Zeeshan Ansari, Pinnacle GATE solution Academy
Participants	ALL
Year of participants	TE/BE
Event Report	A session on the importance of competitive exams especially GATE examination was arranged for all the third and final year students. The speaker briefed that qualifying in GATE is a mandatory requirement for seeking admission to Post graduate programs with Ministry of Education and other government scholarships for admitting students in the institute. Most of the PSUs, including BARC, IOCL, and others, stipulate GATE certification as a criterion for hiring graduate engineers in entry-level roles, to qualify for CSIR Fellowship Programmes, to get ME/M. Tech Scholarships, and for many other opportunities. He emphasized that the GATE score is used by some PSUs for their recruitment and by several universities in India and abroad for admissions. Next he guided students with the preparatory tips for GATE exams. He continued by describing how the GATE exam is used to assess students' knowledge and comprehension of undergraduate engineering and science courses. Multinational firms shortlist candidates based on GATE score. Some international universities offer M.S or Ph. D programs based on GATE Score. The class was quite lively, and the students participated with gusto.

GATE Seminar
4 messages

Gatesolution Academy <academygatesolution01@gmail.com>   Wed, Feb 8, 2023 at 10:20 AM
To: tpo.minalhardas@gmail.com

Dear Ma'am

We wish to express our keen interest in sensitizing the students of your esteemed institute about the GATE examination which has, in the recent years, become a primary gateway for entry into Public Sector Undertakings and certain government organizations. The significance of GATE and UPSC-ESE examination need not be highlighted further especially in the prevailing atmosphere where well-paid and core engineering jobs in the private sector are extremely hard to come by.

It is our burning desire and endeavor to enlighten and guide the budding future engineers to pave the way for a bright future which they richly deserve.

Pinnacle GATEsolution Academy is an institute providing GATE and UPSE-ESE coaching, set up by a team of experienced professors. We have successfully coached many students towards scoring high ranks in the GATE exam. Many of our students are currently studying in or pass out from **IITs/IISc** and also placed in govt companies like BPCL,HPCL,BHEL, IOCL BARC, NTPC.BEML MDL etc.

We would like to take a **GATE Seminar on 09/02/2023** from our distinguished faculty, who are industry experts themselves to share their rich experience to the students. This would not only render an industrial exposure and practical approach to them but also would inspire them to take up a career in their respective engineering stream.

We are also looking forward to becoming a GATE partner to your esteemed institute.

Look forward to hearing from you.

7: Career opportunities in IoT & Rasberry pie

Date	11/02/2023
Type of Scheme	Career Counselling
Title of Scheme	Career opportunities in IoT & Rasberry pie
Resource person	Mr. Karan Bahure, Technojack Solutions
Participants	ALL
Year of participants	SE
Event Report	A seminar on career opportunities in Internet of Things (IoT} was arranged by Technojack Infosolutions in association with our college. All the second year and third year students were invited to this seminar. The importance and the career prospectus in IoT and raspberry pie were the seminar's main topics. The speaker briefed that IoT is the one of the most desirable areas growing on the internet. He gave a live example of scanning QR code for making payments from mobile phones. The speaker explained the architecture, devices used, and specifics of an IoT. He described how IoT uses the Internet or other communications networks to connect to and exchange data with other systems and devices. He also provided an overview of the Raspberry Pi, another widely used open-source hardware platform. From the career aspects he emphasized on the job role of a data analytics engineer. He said that one must be very powerful in statistical knowledge and must be able to correlate, tabulate determinations from data in graphics and visuals. Also, one must have sound knowledge of statistical based languages like SAS, R and Python. He also explained the skillsets required for an IoT developer. Additionally, he emphasised the significance of IoT by using instances from daily life. Students enthusiastically participated in the workshop.

8. Workshop on Aptitude for GATE

Date	15-02-2023
Type of Scheme	Career Counselling
Title of Scheme	Workshop on Aptitude for GATE
Resource person	Mr. Zeeshan Ansar, Pinnacle GATEsolution Academy
Participants	ALL
Year of participants	TE/ BE
Event Report	A workshop on the Preparation for GATE examination was arranged for the final year and pre final year students. The speaker briefed about branch wise subjects that needs to focus while preparing for the GATE exams. He briefed them about the pattern and the weightage for each section in the GATE paper. He focussed on the aptitude part and the numerical part and guided them with some easy techniques to solve problems in minimum time. He explained them how to make a revision plan with specific time duration for each topic day wise for each subject. He solved some examples in the session related to psychometric test and verbal reasoning. The session was very interactive, and students enthusiastically participated in the session.

10: Workshop & Internship Training Program in IoT with Arduino & NodeMCU

Date	10/03/2023 & 11/03/2023
Type of Scheme	Career Counselling
Title of Scheme	Workshop & Internship Training Program in IoT with Arduino & NodeMCU
Resource person	Mr. Karan Bahure, Technojack Infosolutions
Participants	ALL
Year of participants	SE/TE
Event Report	A workshop was conducted by Mr. Karan Bahure from Technojack Infosolutions for the second year and the third-year students of EXTC, Computer and IT department. Mr Karan highlighted the use of Internet of Things with a live example. He emphasized on IoT being the upcoming highlight in the technology field, uses of IoT devices, platform, and services available along with the real-world applications in various fields. In this workshop an introduction to Arduino, its features and interfacing sensors to the Arduino was taught. The task of interfacing IR sensors with the Arduino was completed by the enthusiastic students. Students were also trained on Node MCU, its interfacing and coding. Several mini projects were assigned to the students based on the knowledge acquired in the workshops. Each student enthusiastically participated in the session.

Dear madam,
Greetings from Technojack InfoSolutions.
As per discussion, we will conduct two days workshop on IOT at your institute and we will provide 45 days internship
to your students which will start from 10th March, 2023.
Thanks and regards,
Technojack Infosolutions.

SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that **Nusrat Fatima** from Shivajirao S. Jondhale College of Engineering, Dombivli has successfully completed her internship at **TechnoJack Infosolutions** from 20th March, 2023- 19th April, 2023.

During her internship, She was exposed to various activities in Internet of Things (IoT).

We found her extremely inquisitive and hard working. She was very much interested to learn the functions of our core division and also willing to put her best efforts and get in to the depth of the subject to understand it better.

Her association with us was very fruitful and wishes her all the best in her future endeavors.

Sub: Internship offer

Dear Riddhi,
Heartiest congratulations. On behalf of **MIRA Advanced Engineering (MIRA)**, I am excited to extend an offer to you for **an internship opportunity** within our **IT Services Division**. You will be **working remote**. This position is for the role of **Intern JavaScript Developer**.

This position is scheduled to begin on **July 25, 2023** and will be a one-month unpaid internship opportunity ending on **August 24, 2023**. As a temporary employee in the role of an intern, you will not be eligible for any company-sponsored benefits. In this role, you will report directly to me.

MIRA is an engineering consultancy operating primarily in Information Technology, Manufacturing and Automotive domains. Our prototyping and production capabilities are located with associate companies around Mumbai. We have projects-rich history of working with OEMs in automotive industry. We essentially help OEMs develop bespoke offerings for their retail and enterprise clients. We are very passionate about developing long term and scalable solutions for our stakeholders in current fast changing business landscape.

Please review this letter in full, and email your positive response to **internships@mirabuilt.com** to confirm your acceptance of the position within 2 days of receipt of this offer. By accepting, you acknowledge that you understand your participation in this program is voluntary, it is not an offer of employment and successful completion of the program does not entitle you to an employment offer from MIRA or any of its sister, partner or holding companies.

For internships related queries kindly reach out to **me** or **internships@mirabuilt.com**. We look forward to help you advance your career at MIRA and **wish you a successful internship**. Welcome to the team!

Sincerely,
Mandar Gotad

SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that **Ayush Gaikar** from Shivajirao S. Jondhale College of Engineering, Dombivli has successfully completed his internship at **TechnoJack Infosolutions** from 20th March, 2023- 19th April, 2023.

During his internship, He was exposed to various activities in Internet of Things (IoT).

We found him extremely inquisitive and hard working. He was very much interested to learn the functions of our core division and also willing to put his best efforts and get in to the depth of the subject to understand it better.

His association with us was very fruitful and wishes him all the best in his future endeavors.

For Technojack Infosolutions

Aparna Mule,
Authorized Signatory

Date: 01-02-2023.

To whomsoever it may concern

This is to certify that Mr. SAI ANKUSH GADGE was associated with 'Bloomzen Infosolutions Pvt. Ltd.' as Intern – Trainee Developer since 20-12-2022 to 19-01-2023.
